

IWCS  **THE
International
Cable & Connectivity
Symposium**

August 6, 2016

David Mazzaresse, Ph.D.
OFS
Norcross, GA

Dear Dr. Mazzaresse:

The IWCS Symposium Committee has selected you as the most outstanding speaker of last October's 64th IWCS International Cable & Connectivity Symposium. On behalf of the committee, I congratulate you for an excellent presentation. I am also pleased to offer my personal congratulations and thank you for your contribution.

The tremendous success of the IWCS Technical Symposium is due in large part to the excellent authors and speakers who provide the technical content for the many national and international representatives attending each year. It was a pleasure for me to be associated with you in this endeavor and I look forward to your future participation and the continued success of these symposiums on wire and cable.

This year's symposium, scheduled for October 2-5, 2016, will be at the Rhode Island Convention Center in Providence, Rhode Island. The award for Best Presentation of the 64th IWCS International Cable & Connectivity Symposium will be presented to you during the Plenary Session on Monday, October 3, beginning at 12:00 p.m. You are cordially invited to attend the Conference and ceremonies as a guest of the committee and to receive your award.

Sincerely,

David B. Kiddoo
CEO/Director
