

## OFS Expands InvisiLight® Facade Solution

**Fiber Connect, Booth 1401, Orlando, Florida, June 3, 2019** - OFS, a leading manufacturer of innovative fiber optic products today announces the expansion of the InvisiLight Facade Solution for outdoor Multi Dwelling Units (MDUs) applications. The solution now supports installations in buildings with external breezeways.

This solution uses the popular InvisiLight Facade cord available with up to 24 fibers and a grey indoor/outdoor rated variant of the compact Point of Entry (POE) module used in indoor InvisiLight Solutions have become known for including quick, discrete installations combined with fast service connection.

To view these products and solutions or for more information, please visit OFS at Booth 1401.

### About InvisiLight Solutions

The OFS InvisiLight Solution portfolio has been installed globally since its launch in 2012. The InvisiLight ILU Solution includes single and two-fiber versions and is designed for the residential unit whereas the complimentary InvisiLight MDU Solution is comprised of 4, 8, 12 and 16-fiber count cords along with POE Modules that are installed in building hallways and/or risers passing each residence. OFS' market leading EZ-Bend® G.657.B3 fiber, with a 2.5 mm bend radius, is used in all InvisiLight cord types for the tight bending performance required for these applications. The InvisiLight solution portfolio is well integrated with an equally diverse OFS SlimBox® portfolio of terminals for both indoor and outdoor applications, and with OFS' new EZ-Terminator™ Splice on Connector Solution.

## **About OFS**

OFS is a world-leading designer, manufacturer and provider of optical fiber, fiber optic cable, connectivity, fiber-to-the-subscriber (FTTx) and specialty fiber optic products. We put our development and manufacturing resources to work creating solutions for applications in such areas as telecommunications, medicine, industrial automation, sensing, aerospace, defense and energy. We provide reliable, cost-effective fiber optic solutions that help our customers meet the needs of consumers and businesses today and into the future.

Headquartered in Norcross (near Atlanta) Georgia, U.S.A., OFS is a global provider with facilities in China, Denmark, Germany, Morocco, Russia and the United States. OFS is part of Furukawa Electric Company, Ltd. a multi-billion-dollar leader in optical communications.
