

November 11, 2022

A World War I American soldier was buried at Arlington National Cemetery in 1921. This place of reverence became the foundation for honoring Veterans for their service to our country.

Each year on November 11th we take the time to recognize our veterans for their service to our country. The personal sacrifice made by those who served our country whether during war time or peace time is symbolic of the willingness of these brave service men and women to give their lives to protect our country's freedom.

To our OFS veterans I salute your bravery and sacrifice. Your dedication to our country and your unwavering willingness to put aside personal endeavors, is indicative of your exemplary courage. To those who have family members or friends who served in the Armed Forces, thank you for continuing to generously support veterans.

To All Veterans, Thank You for Your Service.

Sincerely,

Holly Hulse
Chief Executive Officer
